

Ecker + Ecker GmbH is a premier boutique agency for market access of pharmaceuticals, diagnostics and medical devices in Germany. The service offerings focus on HTA and Pricing & Reimbursement over the entire life cycle of products.

Accessus Health GmbH is a sister company to Ecker + Ecker, providing market access on a European level together with a network of similar minded local expert agencies. Accessus Health operates as a Gateway to Europe for biotech and pharmaceutical companies.

Join Accessus Health and be one of the first new team members dedicated to our new growing EU HTA activities as

## Biologists or pharmacists as EU HTA Manager (m/f/d)

### Your tasks

- Preparing dossiers for Joint Scientific Consultation (JSC) and Joint Clinical Assessment (EU HTA) and guiding our clients in this process
- Monitoring the evolving EU HTA landscape
- Supporting our clients in discussions with the relevant authorities on EU level
- Managing the entire EU HTA process together with our European network partners in a flexible and agile way
- Helping our clients to get ready for EU HTA on an EU as well as affiliate level
- Playing an active role in our working group on EU HTA

### Your profile

- Postgraduate degree in human biology, pharmacy or similar - ideally a doctorate
- Minimum of 3 years of experience in national HTA and Pricing & Reimbursement processes in one of the key countries within Europe (France, Germany, Italy, Spain)
- Excellent project management and communication skills
- Highly flexible
- Interculture competence and willingness to work in international projects
- Excellent written and oral communication skills both in German and English, being native in one

### Our offering

- Being on the forefront of the new HTA standard in Europe (and beyond) in one of the leading service providers
- Actively involved in shaping the new HTA standards
- Open exchange and collegial cooperation with motivated and helpful colleagues in a modern working environment
- Attractive salary, company pension scheme, fitness membership and 30 days vacation per year
- Two baristas in our modern premises on Hamburg's Outer Alster lake
